Oak Park, IL--2/15/2010--Technical Communications Consulting, Inc., a business specializing in informational, instructional, and technical marketing communications, received national certification as a Women's Business Enterprise by the Women's Business Development Center, a regional certifying partner of the Women's Business Enterprise National Council (WBENC).

WBENC's national standard of certification, implemented by the Women's Business Development Center, is a meticulous process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated and controlled by a woman or women.

By including women-owned businesses among their vendors, corporations, and government agencies demonstrate their commitment to fostering diversity and the continued development of their supplier/vendor diversity programs.

About Technical Communications Consulting, Inc.
